International A and AS Level Mathematics Pure Mathematics 1

Examinations syllabus for Cambridge International A & AS Level Mathematics 9709 The eight chapters of this book cover the pure mathematics in

AS level The series also contains a more advanced book for pure mathematics and one each for mechanics and statistics These books are based on the highly successful series for the Mathematics in

A Level Biology Revision notes 2020/2021

1 Storage - lipids are non-polar and so are insoluble in water 2 High-energy store - they have a high proportion of H atoms relative to O atoms and so yield more energy than the same mass of carbohydrate 3 Production of metabolic water - some water is produced as a final result of respiration 4 Thermal insulation - fat conducts heat very slowly so having a layer under the skin keeps
